LETTER OF TRANSMISSION

In accordance with Section 61 of the *Financial Management Act 2006*, we hereby submit for your information and presentation to Parliament, the Annual Report of the Perth Theatre Trust for the financial year ended 30 June 2012.

The Annual Report has been prepared in accordance with the provisions of the *Financial Management Act 2006*.

Dr Saliba Sassine
Chairman

CHAIRMAN'S REPORT

The past year has been one of consolidation for the Trust following the opening of two new venues in 2010-2011 – the State Theatre Centre of Western Australia and the Albany Entertainment Centre – as the Trust continues to focus on the strategic objectives outlined in *Showtime*.

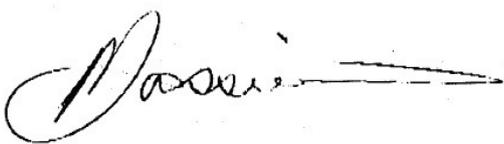

The tendering of the ticketing rights to Trust venues was a significant decision taken this year: BOCS was established some 30 years ago and has served the Trust and its clients and patrons well; however it was clear that the economics of the business had changed. While a difficult step to take, it is one that the Board and management feel is critical for the Trust and its clients in the long term.

I would like to thank the staff of BOCS, who have operated in an environment of uncertainty for some time, for their support and professionalism during this period of transition.

The Trust is committed to building strong and lasting relationships with the theatre sector. During the year, I held meetings with the Chairs of the resident companies to exchange ideas and understand how PTT can better engage with them.

Both individually and collectively, PTT Board members continued to provide the Trust with important strategic direction and advice. I would like to welcome new member Jim Adamos, who joined during the year as one of the City of Perth representatives and to acknowledge outgoing member Peter Alexander. Peter was a major contributor to the Board over many years and I sincerely thank him for the passion, knowledge and skill he brought to his role. I also wish him well for the future.

I look forward to the Trust continuing to play a strong role in inspiring artists to perform in our magnificent venues.

Dr Saliba Sassine
Chairman

GENERAL MANAGER'S REPORT

There were a lot of changes for the Perth Theatre Trust this year as we continued to implement the key actions in the Strategic Plan and took the significant decision to tender out the ticketing rights for our venues.

This tender process is currently underway and it is expected that a new ticketing provider will be announced in September which will be in time for the 2013 season launches of the resident companies. This is a major transition for the Trust and I would like to thank the professionalism of Rudi Gracias, Director BOCS Ticketing and Marketing and his staff during what has been a challenging period.

With regard to our newest venues – the Albany Entertainment Centre and the State Theatre Centre of Western Australia – we have worked closely with Building Management and Works, the builders and architects to address defects identified after the building handovers. I am also pleased to say that a diverse range of productions in both of these venues attracted significant audiences and the State Theatre Centre has now become our busiest venue, with 361 performances offered over the past year.

In December 2011, the State Government confirmed that the Albany Entertainment Centre would continue to be managed by the Trust until 2014. The Trust, through its venue manager AEG Ogden (Perth) Pty Ltd, is very proud of its contribution to the establishment and ongoing management of this significant regional asset.

In March 2012, the move of the WA Ballet from its accommodation in His Majesty's Theatre to its new state of the art facility in Maylands was finalised. As well as being a significant step forward for the Ballet, it has allowed the WA Opera to take up more space in His Majesty's Theatre to enhance its operations.

Maintenance and improvement of PTT venues is a continuing priority for the Trust as these improvements enable us to attract new performances to Perth and to also strengthen our programming. We continue to work closely with the Department of Culture and the Arts and key agencies in enhancing the case for increased funding and have been successful this year in securing additional funding support in the 2012-2013 State Budget.

I would once again like to acknowledge the contribution of the Board, who have continued to provide great leadership and also AEG Ogden (Perth) Pty Ltd and Trust staff for their work during the past year.

Alan Ferris
General Manager

EXECUTIVE SUMMARY

Organisational developments

- The ticketing rights for the venues managed by the Trust were tendered in April, which will result in the decommissioning of BOCS Ticketing and Marketing Services in late 2012.
- The Trust has developed a stakeholder relationship plan to build stronger relationships with resident companies in its venues and to attract more patrons.
- The Trust has reviewed its programming and implemented a programming policy to ensure audiences have access to a range of performance activities and styles.
- Additional funding support for the Trust was secured in the 2012-2013 State Budget.
- His Majesty Theatre's Foundation is an important part of the Trust and the Board are currently reviewing the role it plays and the best way to deliver corporate support and sponsorship across all the Trust venues.

Venues and audiences

- The Trust's impressive new venues in Perth and Albany established strong profiles during their first full year of operation, hosting a wide variety of performances and events:
 - The State Theatre Centre of Western Australia offered back-to-back performances throughout most of the year; met its design expectations with the successful, simultaneous operation of its three performance spaces for the Perth International Arts Festival and Perth Fringe Festival; and hosted a number of major arts and industry conferences. It is now the Trust's busiest venue.
 - Audiences in the Great Southern also responded enthusiastically to the Albany Entertainment Centre, which hosted three national dance, theatre and opera companies; attracted commercial touring productions; established seasons for Albany's independent music societies; hosted events for the Perth International Arts Festival's regional offering; and attracted more than 3,000 people to corporate and private events at its stunning harbour-side location. A successful fundraising campaign saw a concert-quality Steinway grand piano purchased for the venue.
- PTT venues held a total of 1,138 events, attended by 447,718 people during the year: an increase in events of 28% and an 11% increase in attendances.
- The excellent standard of catering at the Trust's venues was again recognised with Creating Events with Style, the Food and Beverage Division of venue manager, AEG Ogden (Perth) Pty Ltd, winning the Gold Plate for Best Venue Caterer 2011.

Performance highlights

- Following the visit to Perth in 2010 by the great Berlin Philharmonic Orchestra as part of the World Orchestra Series, the Perth Concert Hall hosted two performances by the Vienna Philharmonic Orchestra during their first-ever visit to Perth. One of the performances was simulcast live to venues in regional WA.
- Other performances at Trust venues this year by leading international, national and local companies included:
 - the Black Swan State Theatre's Company's production of Tim Winton's play *Rising Water*, which played to packed houses in Perth and Albany in July, and the Company's staging in early 2012 of *The White Divers of Broome*
 - Musica Viva's presentation of international clarinettist Sabine Meyer with the Modigliani quarter
 - classical performances by Teddy Tahu Rhodes and David Hobson at the Perth Concert Hall
 - the premiere season at His Majesty's Theatre of the challenging 20th century opera *Elektra*, performed by West Australian Opera, with an international cast
 - WA Ballet Company performances of *The Taming of the Shrew* and their new compilation, *Diamonds*
 - performances from Bell Shakespeare and Bangarra Dance Company at the State Theatre Centre
 - the dramatisation by Barking Gecko Theatre of Academy Award winner Shaun Tan's book *The Red Tree* at the Subiaco Theatre Centre, which delighted younger audiences and was revived for the Perth International Arts Festival.

OPERATIONAL STRUCTURE

The Perth Theatre Trust (the Trust) is a statutory authority established and constituted under the *Perth Theatre Trust Act 1979*, charged with managing Perth's premier performing arts venues. It operates in the Culture and Arts Portfolio. The Department of Culture and the Arts provides corporate support to the Trust, including human resources, financial and information system support.

The Trust is responsible for the care, control, management, maintenance, operation and improvement of theatres under its control. It is also responsible for BOCS Ticketing and Marketing Services which provides a ticketing system for access to a wide range of events. The venues currently under the control of the Trust are:

- Perth Concert Hall (leased from the City of Perth)
- His Majesty's Theatre (Government owned)
- Subiaco Arts Centre (leased from the City of Subiaco)
- State Theatre Centre of Western Australia (Government owned)
- Albany Entertainment Centre (Government owned).

The Trust venues are managed on behalf of the Trust by AEG Ogden (Perth) Pty Ltd through a Management Agreement. As venue manager for the Trust, AEG Ogden (Perth) Pty Ltd is responsible for ensuring that the facilities are managed within budget allocations and meet agreed performance outcomes. This arrangement is consistent with the legislation governing the Trust's operations.

The Trust's venues are actively used by various local, national and international performing arts companies, performers and artists, both professional and amateur. School and children's performances and activities are also presented at these venues. State arts organisations presenting regular seasons in Trust venues include Barking Gecko Theatre Company, Black Swan State Theatre Company, Perth Theatre Company, the West Australian Ballet, West Australian Opera and West Australian Symphony Orchestra.

The Trust actively supports the presentation or co-production of events in its theatres (see summarising table on page 19) and provides a range of theatre-related services to customers and hirers. These services include the food and beverage operations that AEG Ogden (Perth) Pty Ltd manages, providing before and after-show refreshments and offering catering for functions within the venues. AEG Ogden (Perth) Pty Ltd also manages the Museum of Performing Arts which houses more than 40,000 items representing the history of performing arts in Western Australia and nationally. Further information on these theatre-related services is included in the venue reports section.

PROFILE OF THE PERTH THEATRE TRUST

Our purpose

To promote and develop arts and entertainment that is accessible to all through excellence in venue management and programming.

Our vision

To be recognised as a leader by a community that values entertainment and the arts in our State and nationally.

Our values

- Acting with **integrity** when conducting our business and fulfilling our obligations.
- Promoting **excellence** through the delivery of quality services that exceed industry standards.
- Supporting **entrepreneurship** through the identification of new opportunities and the encouragement of new ideas and creativity.
- Valuing **relationships** by establishing robust connections with our key stakeholders, developing new partnerships and working collaboratively with all.

Our strategic direction

On 1 July 2009, we launched our strategic plan for 2009-2014, Showtime, which outlines our two-stage plan for repositioning and rebuilding the Trust as a key arts agency that adds significant value to the arts and entertainment sectors in our State and nationally. The plan is built around:

- increasing the public visibility of the Trust
- strengthening our business development focus
- developing strategic partnerships and relationships
- optimising the use of our venues and services for the benefit of the whole community
- improving our customer service and management.

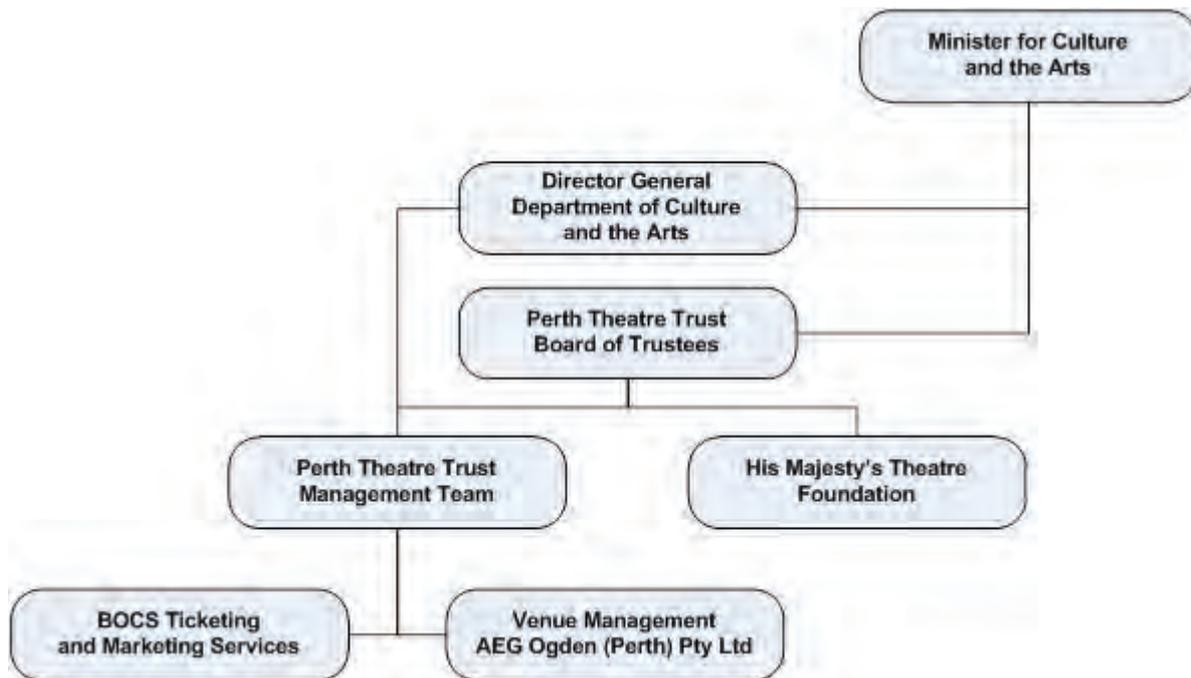

The Agency Performance section of this annual report includes a summary of our achievements towards these strategic objectives.

PERFORMANCE MANAGEMENT FRAMEWORK – GOVERNMENT GOALS

The Culture and Arts Portfolio (of which the Trust is an agency) achieves its Government Desired Outcomes through the delivery of seven key services. While the Portfolio contributes to all of the Government’s Outcomes Based Service Delivery goals, its primary contribution is to the Government Goal: *Greater focus on achieving results in key service delivery areas for the benefit of all Western Australians.*

The figure below illustrates the relationship between the Portfolio’s Desired Outcomes and the most relevant Government goal.

Government Goal	Desired Outcomes	Services
Greater focus on achieving results in key service areas for the benefit of all Western Australians	Outcome 1: A creative, sustainable and accessible culture and arts sector	1. Arts Industry Support 2. Screen Production Industry Support 3. Venue Management Services
	Outcome 2: Western Australia’s natural, cultural and documentary collections are preserved, accessible and sustainable	4. Art Gallery Services 5. Library and Information Services 6. Museum Services 7. Government Recordkeeping and Archival Services

The Trust’s venue management services contribute to Desired Outcome 1 of the Portfolio’s Government Desired Outcomes: *A creative, sustainable and accessible culture and arts sector.*

The Trust’s provision of theatres and programming events provides the community with access to cultural experiences and the opportunity to enhance the cultural and economic life of Western Australia.

OVERVIEW OF PERFORMANCE AGAINST STRATEGIC GOALS

The Trust's five-year strategic plan, *Showtime*, was launched in July 2009, establishing for the first time a formal strategic direction and vision for the organisation. The plan is being implemented in two stages:

- Stage one, *Setting the Scene*, has been about rebuilding and repositioning the Trust so that it can achieve the arts and entertainment sector leadership role that it aspires to. This process has involved the establishment of new business systems and processes, a focus on best practice governance and on building the profile of the Trust.
- Stage two, *On with the Show*, will see a repositioned Trust working proactively to add significant value to the arts and entertainment sectors. This process has begun, with the Trust working towards better relationships with stakeholders and improved public positioning for the Trust.

During 2011-12 the Trust has made progress towards finalising Stage One and transitioning to Stage Two. These achievements align with the three strategic objectives that underpin the *Showtime* strategic plan:

- building recognition as an Australian leader in arts and entertainment
- optimising the usage of venues and services for the benefit of the whole community
- achieving excellence and continuous improvement in customer service and management.

This strategic overview describes the activities undertaken by the Trust on behalf of all its venues to provide an operating environment that maximises their contribution to the arts and entertainment sector. It is followed by specific venue reports that provide more detailed information on the management and operations of the individual venues throughout the reporting year.

Strategic Objective 1: Recognition as an Australian leader in arts and entertainment

Achievements against this strategic objective during the reporting year included:

- efficient management of the two new venues under the Trust's control – the state-of-the-art State Theatre Centre of Western Australia and the Albany Entertainment Centre. The Trust has been working with AEG Ogden (Perth) Pty Ltd to ensure that all building defects and technical issues are addressed in a timely way. Well-attended performances and events have established a strong early profile for the two venues.
- ongoing activities to strengthen the Trust's brand and profile, including the development of a stakeholder relationship plan, that was endorsed by the Board in December 2011. This plan outlines strategies to build stronger relationships with resident companies and other key stakeholders; in particular, working with stakeholders to maximise the use of the theatres and encourage more patrons to the venues.
- support for a number of international and national tours at Trust venues, including performances developed by Western Australia's Black Swan State Theatre Company. Well-known companies brought to Western Australia with the Trust's assistance included the Vienna Philharmonic Orchestra, Bangarra Dance Company and Bell Shakespeare.

Strategic Objective 2: Optimising the usage of venues and services for the benefit of the whole community

Achievement against this objective during the reporting year included:

- the advertising of a tender for a new ticketing provider for the Trust venues which was a significant decision for the Trust. Key Performance Indicators will be put in place that will ensure the high level of customer service provided by BOCS is maintained.
- the review of the Trust's programming and the implementation of a programming policy

Strategic Objective 3: Excellence and continuous improvement in customer service and management

Achievement against this objective during the reporting year included:

- implementation of Events Business Management Software (EBMS) at PTT venues. The EMBS has streamlined venue management procedures and processes.
- development of a ticketing service agreement for the new ticketing provider, which will be linked to the contract with the venue manager. This arrangement will ensure that the new provider will meet the needs of the Trust's stakeholders.
- AEG Ogden (Perth) Pty Ltd's Food and Beverage Division, Creating Events with Style, won the Gold Plate for Best Venue Caterer 2011 and is a finalist in various categories of the 2012 Restaurant and Catering Industry Awards for Excellence.

EVENTS WITH PERTH THEATRE TRUST INVOLVEMENT

The Perth Theatre Trust's programming activities ensure a variety and level of performance activity.

In addition to financial outcomes as a key benchmark, there are social and qualitative factors that are equally important measures of programming success. Outcomes include:

- cultural, arts and entertainment benefits
- educational benefits
- general community development in terms of social and economic benefits and quality of life and professional industry employment opportunities
- artistic and creative development
- outcomes which evidence leadership in artistic development.

The company is in the fourth year of a five-year management agreement with the Trust to manage these venues.

Major performances

Among the highlights of the year were the premiere season of the opera *Elektra*, with an international cast; the Propeller Theatre Company's two Shakespearean plays for the Perth International Arts Festival; and *Dickens' Women* starring Miriam Margolyes at His Majesty's Theatre.

Two concerts were performed by the Vienna Philharmonic Orchestra at the Perth Concert Hall as part of the World Orchestra Series, one of which was simulcast across Western Australia.

At the State Theatre Centre, as well as at the Albany Entertainment Centre, the production by Black Swan State Theatre Company of Tim Winton's first play, *Rising Water* played to capacity houses. Perth Theatre Company's production of *Alvin Sputnik: Deep Sea Explorer* in the Studio Underground of the State Theatre Centre was a very popular children's highlight.

The production of the new American play *Red* by Onward Production and *The Red Tree* by Barking Gecko Theatre Company, which also played at the Albany Entertainment Centre, were sold-out theatrical highlights at the Subiaco Arts Centre.

Venue developments and upgrades

The City of Perth (owners of the Perth Concert Hall), through its capital maintenance program for the Perth Concert Hall, replaced the escalators that operate between the main entrance and the car-park below the venue. Concert Hall staff worked closely with the City to ensure minimal disruption during the installation.

National and international relationships

Ongoing communication was maintained with the country's major performing arts presenters and entertainment promoters to ensure maximum utilisation of PTT venues.

AEG Ogden (Perth)'s senior managers continued to liaise with management teams of other national and international performing arts venues.

AEG Ogden (Perth) is an active member of the following organisations and associations:

- AAPPAC – Association of Asia Pacific Performing Arts Centres
- ABTT – Association of British Theatre Technicians
- APACA – Australian Performing Arts Centres Association
- LPA – Live Performance Australia
- OZPAC – Australian/New Zealand Capital Cities Performing Arts Centres.
- VMA – Venue Management Association (Pacific Chapter).

The Chief Executive of AEG Ogden (Perth) is a member of the LPA Executive Council. Members of senior staff attended a number of OZPAC's specialised committee meetings held throughout the year, representing the Perth operation on such matters as programming, technical production, marketing and personnel.

The Museum of Performing Arts, based at His Majesty's Theatre, is a member of Museums of Australia Performing Arts Special Interest Group and participates in its national activities and initiatives.

Performance diversity

The following table represents the diversity of performances presented in Trust venues, as a percentage of total performances. The Trust's aim is to promote a diverse and varied program of events to Western Australian audiences.

Even in years of lower overall activity, the Trust aims to preserve this diversity by co-presenting selected productions to augment the event program. Some co-presentations are not budgeted on a total cost-recovery basis. Comparisons over time indicate that a diverse range of events have been presented.

VENUE REPORT: PERTH CONCERT HALL

The Perth Concert Hall, opened in 1973, is a 1,729 seat purpose built concert hall owned by the City of Perth and leased to the Trust since 1980. Acoustically, the heritage listed building is considered one of the best in Australia. It is the principal performing and rehearsal venue for the West Australian Symphony Orchestra and also hosts other companies of international standing such as the Australian Chamber Orchestra and Musica Viva. It is also hired by many other organisations seeking a venue with high quality acoustics.

Profile of activities

The Perth Concert Hall continued to be affected throughout this past financial year by the global downturn. This was reflected in a modest reduction in the number of events on the main stage from the previous financial year and a corresponding reduction in audience attendances. Promoters and producers continued to struggle with fluctuating currencies, which made buying and touring international shows into Australia very challenging.

Commercial events, especially rock and pop, sustained the greater reductions, while the classical productions maintained their stability from last year after the initial shock of the global financial crisis. Fortunately the 'fine arts' sector continues to remain resilient within the cultural sector. Nevertheless, rising production costs are impacting heavily on both clients and the venue and a static production and financial environment is seeing a net fall in profitability.

The number of rehearsals held at the venue by the West Australian Symphony Orchestra (WASO) dropped slightly from the previous year, and this trend is expected to continue as the Orchestra responds to operational costs and artistic requirements. However, the lesser number of days required by the WASO has provided greater flexibility in making dates available to other clients; this has offered opportunities to diversify the programming mix and provide access to alternative organisations and artists. There is an ongoing increase in the number of ethnically diverse promoters hiring the venue, with a commensurate increase in the variety of public interest in the main stage events.

The venue remains primarily focused on the classical music sector, and has seen many notable international artists appear on the main stage. The venue has also hosted a number of influential contemporary musicians who span a wide range of genres including rock, blues and country music.

Main Spaces Usage	Events	Attendances
Main Auditorium	132	159,071
Wardle Room	19	4,960
Galleries and Other Spaces	16	6613
Total	167	170,644

Performance highlights

There were a number of important and noteworthy performances by classical artists during 2011-2012 including Stiggio and Tallis: *Music in 40 Parts* as part of the Perth International Arts Festival; Teddy Tahu Rhodes appearing with David Hobson; and Musica Viva's presentation of international clarinettist Sabine Meyer with the Modigliani Quartet.

The Perth Concert Hall plays an important role as concert venue for the rock and pop industry. Well-received performances this year included Ryan Adams, Naturally 7 and Chris Cornell.

A range of styles were presented to audiences including comedian Pam Ayres; the Warren Miller snowboarding film *Intervention*; Anh Bang Live; Ladysmith Black Mambazo; as well as a fun performance where the audience was encouraged to bring their own ukuleles –The Ukulele Orchestra of Great Britain.

The diversity of the Western Australian community was reflected in the hire of the venue to organisations such as the Australasian Asian Association for the Harmony Folk Festival, Celebrate WA for the WA Day Concert and the Our India Concert which showcased a number of well-known contemporary international Indian rock bands.

Venue upgrades

The City of Perth (owners of the Perth Concert Hall), through its capital maintenance program for the Perth Concert Hall, replaced the escalators that operate between the main entrance and the car-park below the venue. Concert Hall staff worked closely with the City to ensure minimal disruption during the installation.

Programming partnerships

The venue continued to play a key role in the programming relationships between the major performing arts centres and organisations throughout Australia and New Zealand. This coalition of presenting houses (OZPAC) provides an opportunity to partner in presenting and bringing to national audiences major productions that would not otherwise appear in Australia.

Bringing the internationally renowned Vienna Philharmonic Orchestra to the Perth Concert Hall in 2011 was a major achievement for the Trust, as the Orchestra had never before performed in Perth. As with the Berlin Philharmonic Orchestra concert the previous year, the performance was simulcast to 12 regional venues. Following the success of the Berlin Philharmonic Orchestra simulcast, AEG Ogden (Perth) staff were asked by the Queensland Performing Arts Centre to provide advice on simulcasting their Vienna Philharmonic Orchestra performances.

Funding for the WA simulcast was provided through the Royalties for Regions initiative.

VENUE REPORT: HIS MAJESTY'S THEATRE

His Majesty's Theatre has played host to a number of remarkable artists in the 107 years since its opening. It is the only Edwardian theatre still in operation in Australia and one of only two remaining His Majesty's Theatres in the world. The venue's main auditorium, a traditional theatrical 'horseshoe' arrangement over three levels, seats 1,200 patrons.

Profile of activities

A wide range of quality artistic programs were presented throughout the year, with a total of 86 performances attended by 73,368 patrons in the venue's three performance spaces. The cautious economic mood meant that only the most popular productions, such as musicals, attracted large audiences.

The West Australian Ballet, one of the two long-term tenants in the venue, moved to larger suburban premises in March.

As a result, accommodation for the West Australian Opera and the AEG Ogden (Perth) corporate office has been expanded. There are plans to expand the Theatre's Green Room in the new financial year.

Main Spaces Usage	Events	Attendances
Main Auditorium	105	81,107
Downstairs at the Maj	71	8,053

Total	176	89,160

His Majesty's Theatre now manages both main rehearsal studios in the building, with the ability to develop some commercial use of the space for rehearsals, meetings and hospitality events.

Performance highlights

Resident company, West Australian Opera, presented three productions during the year: the popular operas *Tales of Hoffman and Falstaff* and, in association with Perth International Arts Festival (PIAF), the inaugural production of the major twentieth-century opera *Elektra* by Richard Strauss. All were accompanied by the West Australian Symphony Orchestra.

The West Australian Ballet, a resident company until March 2012, presented a production of the *Taming of the Shrew* and a new compilation, *Diamonds*, as their first production after vacating His Majesty's Theatre.

The Perth International Arts Festival presented a season of two Shakespearean plays by the British Propeller Theatre Company and a production by Brazilian contemporary ballet company, Grupo Corpo.

Other highlights included the one-person production *Dickens' Women*, presented by Miriam Margolyes, and the Awesome Children's Festival's presentation of *The Man the Sea Saw*. Other popular children's productions included *Ben 10* and *Hi 5* during school holiday times.

Towards the end of the financial year a popular touring production of *Yes, Prime Minister* played for two weeks.

His Majesty's Theatre's own popular community service performances of Morning Melodies, MajKidz, Maj Monologues and Cabaret Soiree continued throughout the year, providing opportunities for primarily local talent to shine in this variety of artistic genres.

VENUE REPORT: SUBIACO ARTS CENTRE

subiacoartscentre

The Subiaco Arts Centre is a multi-space venue incorporating a 305-seat corner stage theatre and a 119-seat studio theatre. Five other spaces within the venue – the rehearsal room, meeting room, multi-purpose room, undercroft and gallery space – are suited to a variety of community and arts-based uses. The venue houses Barking Gecko Theatre Company as company in residence as well as a full-time BOCS Ticketing outlet.

Profile of activities

In the second half of 2011, the Subiaco Arts Centre housed two Onward Production performances after developing an excellent rapport with this presenting company. The season of John Logan's new play *Red* – exploring the ambitions and vulnerabilities of master abstract expressionist painter Mark Rothko – was a success and the classic play *Private Lives* was well received. Onward Production closed in 2012 which had a negative impact on the Centre's ability to find alternative bookings in the short to medium term.

AEG Ogden (Perth) Pty Ltd staff at the Subiaco Arts Centre have supported and assisted resident company, Barking Gecko Theatre Company, with their vision and has become more involved in their seasonal processes.

All Perth productions of eastern states presenter HIT Productions, which regularly brings commercial productions such as *Menopause the Musical*, are presented at the Subiaco Arts Centre.

Management at the Centre has been actively looking for opportunities to build relationships with new, smaller local companies that have opened this year, as the venue offers appropriate capacity and prices for their seasons.

Performance highlights

John Logan's *Red*, by Onward Production, was a major highlight this year. This season introduced new people to the venue, and brought back some who had not visited since it was the Hole in the Wall Theatre. This highly successful season was followed by the equally popular production of *Private Lives*.

The production of *The Red Tree* by Barking Gecko Theatre Company was another highlight, translating the work of famous local illustrator Shaun Tan into a visually and musically rich play for young children. The first production under the new Artistic Director, this season was so successful that a remounting was done as part of the Perth International Arts Festival six months later, exposing the show and venue to a new set of audiences.

Another season worth noting was *Blood Will Have Blood* by third-year WA Academy of Performing Arts (WAAPA) acting students. Essentially a “best of” compilation of Shakespeare’s works, this season showcased the graduating talent of WAAPA.

Musician John Butler performed an exclusive, acoustic show in the Main Auditorium. This sold out in a record seven-and-a-half minutes.

VENUE REPORT: STATE THEATRE CENTRE OF WESTERN AUSTRALIA

The State Theatre Centre of Western Australia opened in January 2011. Consisting of multiple performance spaces, it features: the Heath Ledger Theatre, a traditional proscenium arch theatre, for seating 575 patrons in an intimate raked auditorium; Studio Underground, a ‘black-box’ style studio with a (seated) capacity of 250 patrons; and an outdoor courtyard space.

The State Theatre Centre is the principal performance venue of resident companies: Black Swan State Theatre Company and Perth Theatre Company.

The latest technology and innovation is employed throughout the venue, including a powered flying system – the first of its kind in Western Australia – and safety flooring systems in the performance areas. The venue also has two rehearsal rooms, two suites, and various technical facilities such as a dedicated running wardrobe and workshop.

Profile of activities

The Centre hosted two major arts based national conferences – the Museums Australia Conference and the Australian Performing Arts Industry Conference – as well as back-to-back performances throughout most of the reporting period. These helped to build the early reputation of the venue within the industry, as well as raising its profile both nationally and internationally.

The Centre hosted many highly successful programs for the two resident companies, with the Black Swan State Theatre Company’s *White Divers of Broome* the first production to require two flymen on the venue’s powered fly system. It also held its first full company ballet season with the WA Ballet Company’s *Neon Lights*. This tested the capacity and design of the building and was a great success.

Main Spaces Usage	Events	Attendances
Heath Ledger Theatre	211	88,107
Studio Underground	136	21,338

Total	361	110,991

During the Perth International Arts Festival and the Fringe World Festival, all three performance spaces were operating simultaneously.

Performance highlights

The two resident companies continued to present critically and publicly successful productions this year. Black Swan State Theatre Company presented Tim Winton’s acclaimed first play, *Rising Water*, to capacity houses and Perth Theatre Company’s *Alvin Sputnik: Deep Sea Explorer* was picked up by a US agent and toured internationally.

The Perth International Arts Festival held a variety of shows including the venue's first string quartet performance, The Escher Quartet. This garnered positive feedback for the acoustics of the venue, with the Quartet subsequently contacting the acoustic designers of the venue to compliment them on the design and sound quality.

The Fringe World Festival held a three week season in the Courtyard, with performances of *The Table*. Audience and company comment was extremely positive and the venue management is looking for ways to utilise and activate this space, including an ongoing relationship with Festival.

The first 4Arts Education Festival, hosted by the State's major performing arts companies – Black Swan State Theatre Company, the West Australian Ballet, the West Australian Opera and the West Australian Symphony Orchestra – was held in the venue. This free event for schools attracted capacity audiences and included performances on stage as well as workshops for school groups.

The flexibility of the venue was maximised by events such as The Australian Tourism Exhibition 2012's State Western Buyers function, which brought 800 international tourism industry participants to the venue. This event ran back to back with Duet Entertainment's *Songs for Nobodies*, which performed in Melbourne to critical acclaim. Running for three weeks, this tribute to the lives and music of Judy Garland, Patsy Cline, Edith Piaf, Billie Holiday and Maria Callas was the Centre's first long commercial run.

X-Media Lab was held in Perth for the second time in April 2012. This international conference and development workshop hosted over 300 screen practitioners, games developers, technologists and digital media professionals.

VENUE REPORT: ALBANY ENTERTAINMENT CENTRE

The Albany Entertainment Centre is a performing arts and conference centre. The centrepiece of the new facility is the 620-seat Princess Royal Theatre which has some of the best acoustics for spoken word and music of any theatre of a similar size in Australia.

The venue also offers the 200-seat flat floor Kalyenup Studio, a flexible space that can be configured into two rooms or opened up to provide access to the foyer and views of Princess Royal Harbour. Other facilities include The Hanover Room, which is available for board meetings and cocktail functions, and the Centre's restaurant, 'View'. Its function spaces are serviced by a commercial kitchen.

Ownership of the Centre has been vested with the Perth Theatre Trust until 30 June 2014, with AEG Ogden (Perth) Pty Ltd managing the facility under its contract with the Trust.

Profile of activities

Since opening in December 2010, the Albany Entertainment Centre has secured its place alongside the Mandurah Performing Arts Centre and Bunbury Regional Entertainment Centre as an essential part of the WA Regional Southern Touring Circuit.

Two of Western Australia's flagship companies, Black Swan State Theatre Company and the West Australian Ballet, performed at the Centre to sell out houses. Black Swan presented three performances of Tim Winton's play *Rising Water* in July 2011, while the West Australian Ballet's presentation of *Cinderella* in October set a box office record, with 1,729 people attending over three performances. Both seasons were presented with the support of the Trust.

The Trust was also instrumental in assisting the Centre to host three of Australia's National Touring Companies for the first time: Sydney Dance Company performed *We Unfold* to a capacity house in September, followed by sold out productions of Bell Shakespeare's *Julius Caesar* and Oz Opera's production of *La Traviata*.

The Centre has begun to attract commercial touring productions, enabling staff to diversify programming without the financial risks that would be incumbent if it was the sole presenter. A number of commercial promoters, all of whom are based in the Eastern States, have presented multiple productions, including A-List Entertainment, Retfar Entertainment, Premier Artists, Harbourside Agency and ATA Allstars Pty Ltd.

The Centre's staff also worked closely with Albany's independent music societies to help ensure the success of their inaugural seasons at the new venue. The Albany Sinfonia's concert *A Night to Remember* in July 2011 attracted 492 people. The Albany Wind Ensemble's *A Family Christmas Concert* in November, which played to 1,708 people over three concerts, demonstrated the strong support for music in the local community.

In February, the Perth Theatre Trust, His Majesty's Theatre Foundation, AEG Ogden (Perth), City of Albany, the Great Southern Development Commission launched an appeal for a new Steinway Model C Grand Piano, valued at \$135,000. The Jack Family Trust made a commitment of \$50,000 to help the launch and this was supplemented by both the State Government (through the Trust) and the City of Albany committing \$10,000 each. The piano will be used in the venue from August 2012.

Staff at the Albany Entertainment Centre continued to work with the Department of Finances' Building Management and Works, architects, consultants and contractors on resolving outstanding building defects and other issues which have arisen since the Centre's opening. All parties worked to ensure that remedial works did not interfere with the daily operations of the Centre.

To help expand the Centre's function business, a Function Sales and Marketing Coordinator position was created in April.

Performance highlights

The 2012 Great Southern Festival marked the 10th anniversary of the Perth International Arts Festival's regional festival in Albany. The Premier, the Hon Colin Barnett, launched the Festival at a special dusk ceremony held on the foreshore of Princess Royal Harbour on 10 February. The event, which featured a community choir and orchestra performing a choral piece composed for the occasion by Iain Grandage, attracted 1,200 people.

The 2012 Festival was the largest arts festival to have been presented in Albany and the Great Southern. Among the many highlights were Ilbijerrie Theatre Company's *Jack Charles vs The Crown* (Australia), Barking Gecko Theatre Company's *The Red Tree* (Western Australia), Jumpboard Productions *Carnival of Souls* (NZ), Escher String Quartet with Caroline Almonte (USA/Australia) and I Fagiolini's *Music for Six Voices* (UK). The I Fagiolini concert was recorded by ABC Classic FM and broadcast nationally.

During the past 12 months, more than 3,000 people attended various corporate and private events held in the Centre. Major events included the 5th Annual Rural Health Conference in September, which included a dinner for 200 people, and the inaugural Greenstream 2 Mainstream Conference in March 2012.

To ensure the Centre was used during winter and to promote local musicians, the inaugural 'Harbourside Concert Series' was launched in July 2011. Utilising the acoustics of the Harbour Side Foyer, eight Thursday night concerts were scheduled throughout July and August, all of which were sell-outs. Sponsors included a number of local businesses.

In September 2011, the Centre joined with the WA Academy of Performing Arts (WAAPA) to present *Radioactive* – a concert featuring all of WAAPA's second year contemporary music course students and 60 local music students from the Albany Senior High School and Great Southern Grammar. The concert, in the Princess Royal Theatre, was the culmination of three days of workshops and weeks of rehearsals. It was a wonderful showcase for the musical talent of students in the Great Southern and has led to WAAPA establishing closer links with the local secondary schools. *Radioactive 2012* will be held during September.

Another major event on the Centre's calendar highlighting the depth of musical talent in the Great Southern was the Albany Eisteddfod's Society's *Albany Eisteddfod*. This year's competition, supported by the Trust, was held over four days and attracted 357 competitors.

MUSEUM OF PERFORMING ARTS

In the past year, a number of important items have been added to the Museum of Performing Art (MOPA) archives. Highlights include 40 set designs from Max Kay's Civic Theatre Restaurant shows, six children's costumes worn in concerts at His Majesty's Theatre in the early 1930s and the costume worn by Margaret Anketell as Oliver Twist at His Majesty's Theatre in 1949.

2672 people visited the Museum in 2011-12. Of these visits 1148 were through Friends of the Theatre tours, 1092 came into MOPA directly and 432 attended as part of 27 organised tour groups.

Exhibitions included:

Exhibition 45: Star Billing (June-August 2011)

The Winter Arts Festival offered a diverse range of collection highlights including Percy Grainger's pianola roll, Nellie Melba's stage fan, Margot Fonteyn's tutu and pointe shoes, and Jill Perryman's costumes from *Hello Dolly*. Of special interest was Anna Pavlova's contract for her 1926 Australian tour and an original photograph by Frederick Flood, showing her on stage at HMT in 1929.

Exhibition 46: Spangles and Spotlights (Sept-Dec 2011)

On show was a colourful collection of items from the careers of Eric Edgley and Clem Dawe, the comedy duo, who as Edgley and Dawe, leased His Majesty's Theatre to produce their own shows throughout the 1950s and into the 1960s. Included was a tribute to one of their star attractions, honky-tonk pianist Winifred Atwell. Also displayed were four historic costumes – two brought from pre-War Vienna – from the Gertrude Bodenwieser Dance Company and seen at the theatre in 1940.

Exhibition 47: Curtain Up! Light The Lights! (Jan-March 2012)

Two Fremantle theatres were celebrated in this exhibition, the Princess and the Hoyts Oriana. Publicity in the Fremantle press brought forth more memorabilia and photographs that were immediately added to the display. Sharing the spotlight was a tribute to Milton and Adams Comedy Company, a troupe which crossed the Nullarbor to Perth in 1928, entertaining in camps and towns along the way. Their work at the Luxor Theatre through the Great Depression was also showcased.

Exhibition 48: Aussies on Parade (April-May 2012)

This exhibition was a salute to Army Entertainment Units in World War Two. They included the Kangaroosters, the Kiwis and the Digger Dandies. With the active participation of one of the original wartime entertainers, Bill Kerr, emphasis was placed on the Units that toured soldier settlements in the Wheatbelt towns of Western Australia. Other showcases held material from the days when Busselton-based movie man Alan Jones took silent films to the isolated timber towns in the South West.

HIS MAJESTY'S THEATRE FOUNDATION

In its 19th year, the His Majesty's Theatre Foundation (HMTF), with corporate support from the Hawaiian Group, Australia Post and others, continued to fund the activities of community-based programs such as Maj Kids, Maj Monologues and the popular cabaret season of Downstairs at The Maj.

On 10 February 2012, at the launch of the Great Southern Festival, the Premier announced the Albany Entertainment Grand Piano Appeal. The Foundation worked with staff at the Albany Entertainment Centre to co-ordinate this fundraising campaign for the acquisition of a concert-quality grand piano.

The Jack Family Trust gifted \$50,000, with the City of Albany and the State Government donating \$10,000 each.

A further \$85,000 in donations was raised through the Piano Appeal, allowing for the purchase of a Steinway model C-227.

The HMTF continues to be an important part of the Trust operations in providing opportunities for companies to sponsor activities in PTT venues.

BOCS TICKETING AND MARKETING SERVICES

The 2011-2012 year has been a significant challenge for BOCS Ticketing and Marketing Services. Following a Board recommendation, the Government announced in December 2011 that the ticketing rights for PTT venues would be tendered out. This decision would see BOCS decommissioned in late 2012.

During the year BOCS continued to provide high levels of service with the changes to the website in 2011 continuing to pay dividends. BOCS also improved a number of aspects of its operations which stabilised the ticketing system and improved customer service.

BOCS provided ticketing services to the Astor Theatre, the Mundaring Truffle Festival and the Australian Defence Force's 2012 Air Show at Pearce.

Notwithstanding the growth in ticket sales and revenue, BOCS continued to be affected by escalating overheads and technology costs. Following an extensive evaluation of the ticketing infrastructure, administrative overheads and labour costs, the Government decided to tender the ticketing rights to the Trust venues.

The tender process, which opened in June 2012, is being conducted by AEG Ogden (Perth) Pty Ltd. The Trust is a party to the selection of the preferred supplier and a new provider is expected to be announced by September 2012.

FOOD AND BEVERAGE DIVISION

Food and beverage services are provided to patrons at each of the Trust's venues and event catering is provided through cafés, restaurants, bars, function rooms and lounges. In addition, the theatrical and ancillary spaces of the Trust's venues are utilised for corporate and private functions and events including gala dinners, cocktail receptions, product launches, conferences and meetings.

Highlights

In November, the Perth International Arts Festival 2012 launch function was held at the Perth Concert Hall, attended by many members of Perth's arts community.

The 25th annual Australian Performing Arts Centres Association (APACA) conference was held at the State Theatre Centre of WA. The three day conference was attended by more than 300 delegates from the arts community around Australia and the post-event feedback rated the food and beverages served as 'the best to date' in comparison to previous conferences. In addition to the conference sessions, the Food and Beverage Division provided food and beverage services for the Conference Gala Dinner held at Government House Ballroom.

Awards and recognition

At the 2011 Catering Institute Gold Plate Awards in October, the Food and Beverage Division was named the Gold Plate winner in the Venue Caterer of the Year category. It has achieved finalist status for the 2012 Restaurant and Catering Australia Awards for Excellence (WA) in the following categories:

Venue Caterer

- Perth Concert Hall
- His Majesty's Theatre
- State Theatre Centre of WA
- Albany Entertainment Centre (Regional Awards)

Entertainment Restaurant

- Cafe at the Concert Hall
- Barre Lounge café, His Majesty's Theatre

Cafe Restaurant Regional

- View Restaurant, Albany Entertainment Centre

These awards continue to raise the profile and reputation of the AEG Ogden Food and Beverage Division and PTT within the industry and the broader community.

The Food and Beverage Division has maintained accreditation as a Gold License Caterer. This program is an initiative of the Restaurant and Catering Industry Association of Employers of WA (Inc), supported by the State's Health Department and the Australian Institute of Environmental Health.

ORGANISATIONAL SUPPORT

Managing our people

The Department of Culture and the Arts provides services to support the workplace issues and needs of all of the Culture and the Arts Portfolio including the Perth Theatre Trust. Services provided to PTT through the Department's human resources branch include the development and implementation of human resource policy, planning and development initiatives, industrial relations support and staff training.

Equity and Diversity

The implementation of the Equal Employment Opportunity (EEO) and Diversity Management Plan 2010–2012 supports the Trust's requirement to meet its equity and diversity goals.

The implementation of the EEO and Diversity Management Plan 2010-2012 is now complete. Future EEO goals will be incorporated into the portfolio strategic workforce plan.

The 'How Does Your Agency Compare?' report provided yearly by the Office of Equal Employment Opportunity shows a statistical analysis of workforce diversity in the culture and arts portfolio compared to the whole public sector. The information from this report is based on a 2011 Equal Employment Opportunity (EEO) survey with a minimum response rate of 88 per cent across the portfolio. Results showed that the portfolio exceeded the public sector representation for women in management and people from culturally diverse backgrounds. However, the ongoing constrained recruiting environment is making it difficult for the portfolio to meet its goals for staff representation of Indigenous Australians, people with disabilities and youth (under 25 years). Effort in these areas is mainly focused on retention of existing staff.

SIGNIFICANT ISSUES AND FUTURE DIRECTIONS

- The State Government agreed to tender the ticketing rights to Trust venues in December 2011. This decision would see the decommissioning of BOCS Ticketing in late 2012. It is vital that an appropriate provider who can meet the needs of Trust stakeholders is engaged before September 2012, when the local arts organisations commence the sale of their 2013 seasons.
- With the divestment of BOCS Ticketing, the Trust will be able to focus on the business of venue management and review the management of its assets. Whilst the 2012-2013 budget includes funding to assist the Perth Theatre Trust to meet its operating deficit, funding to maintain and enhance the important cultural assets under the Trust's management continues to be a significant challenge.
- The Trust will continue to work closely with the City of Albany to assist in the transition of the Albany Entertainment Centre to the City in 2014.
- While the Trust has improved its profile with arts and entertainment organisations and promoters, further work is required to improve the level of understanding of the role the Trust plays in the sector.
- The Trust will be reviewing the way it programs product for its venues in order to increase diversity and enhance the reputation of the venues.

Compliance with public sector standards and ethical codes

Compliance with the Public Sector Standards and Ethical Codes are assessed regularly by the Department of Culture and the Arts Human Resources area. The Public Sector Commission investigates and determines the outcome of breach claims, should they occur. In accordance with Section 31 of the *Public Sector Management Act 1994*, the following is a report of the extent to which the Trust has complied with Public Sector Standards, *Western Australian Public Sector Code of Ethics* and the Department's *Code of Conduct*, which also applies to PTT staff.

Disability access and inclusion plan outcomes

The Trust is committed to ensuring that people with disabilities, their families, friends and carers have the same opportunities, rights and responsibilities enjoyed by others, to access its arts and cultural services, information and facilities.

The current Disability Access and Inclusion Plan 2007–2011 was extended to 31 December 2012 to enable the Trust to undertake public consultation for the development of a new Plan for 2013–2017. This new plan will guide staff on how they should welcome people with disability, their carers, friends and families to PTT buildings, services and employment.

Outcome 1: People with disabilities have the same opportunities to access the services of, and any events organised by, the Trust.

Information about the Trust's functions and services is written in clear and concise language and is available in alternative formats. Information is provided in the BOCS Ticketing and Marketing Services website on specific facilities available at venues, such as infra-red hearing loops, seating and parking. Audio description for live theatre performances for the vision impaired is available for selected performances.

Outcome 2: People with disabilities have the same opportunities to access the buildings and other facilities of the Trust.

Planning for access auditing of all Trust buildings is underway. Access and public safety are high priorities for maintenance work.

Outcome 3: People with disabilities receive information in a format that will enable them to access the information as readily as other people are able to access it.

A variety of alternative and accessible formats are available on request and this availability is promoted prominently in publications. Training has been provided to staff on how to develop accessible printed and online information.

The website is formatted to meet all requirements detailed by W3C Web Content Accessibility Guidelines. All documents available for download are tagged for accessibility and, where possible, are provided in an alternative plain text file format. All videos have transcripts attached.

Outcome 4: People with disabilities receive the same level and quality of service from staff.

A presentation on disability access and inclusion, including customer service for people with disabilities, is included in the Culture and Arts Portfolio Induction Program for all new employees. Additional specific awareness training is provided to customer service staff as required.

Outcome 5: People with disabilities have the same opportunities as other people to make complaints.

The complaints process is easily accessible online. Feedback and complaints mechanisms are in place and accessible and are currently being reviewed to ensure they are being appropriately implemented.

Outcome 6: People with disabilities have the same opportunities to participate in any public consultation.

To support people with disabilities, their families and carers to attend external consultations and public gatherings, the Trust provides event information in clear, concise language and in accessible formats. It also holds events in accessible venues and provides consultation information in alternative formats, on request.

Outcome 7: People with disabilities have the same opportunities as other people to seek employment with the Department.

Information and policy aimed at encouraging and facilitating the recruitment of people with disabilities has been incorporated within the Department of Culture and the Arts Recruitment, Selection and Appointment Manual. All Trust staff have access to the manual through the Departmental intranet.

Report on recordkeeping plans

The Trust's recordkeeping plan 2010-2015 was approved by the State Records Commission in April 2011. The plan identifies and updates the steps to be taken to improve and maintain recordkeeping in the Trust. These updates include the development of retention and disposal schedules, revision and implementation of the functional thesaurus and revision of recordkeeping policies and procedures. The Trust is required to review this plan by April 2016.

During the year, nominated Trust staff attended TRIM Context training to facilitate improved records management.

Substantive equality

This year the Department of Culture and Arts conducted a review of its Substantive Equality project plan, also incorporating changes to the revised Equal Opportunity Commission policy framework. A new reference group has been established, with all portfolio agencies represented. A proposed new policy and communications plan is under consideration. This will allow for the development of an implementation schedule to cover the Department and all portfolio agencies for the period 2012 to 2014.

Occupational health, safety and injury management

Commitment

The Department of Culture and the Arts is committed to ensuring that all employees are safe from injuries and risks to health while they are at work and accepts that employee health and safety is primarily a responsibility of management. Specified policies, work practices and procedures have been prepared to address the hazards and hazardous work processes in the workplace. These are available on the Department's intranet.

Mechanisms for consultation with staff

The Department and portfolio agencies each have their own active OSH committees. The formal mechanisms for consultation with employees on OSH and injury management matters are primarily via line management. Staff are made aware of this process at their staff induction and by having access to the same information on the intranet.

Compliance with injury management requirements

The Department demonstrates its commitment to assisting employees to return to work after a work-related injury or work-related disease through its Injury Management Policy. Information on workers compensation and injury management is provided to staff at induction and via the intranet. The Department engages in formal, documented programs for employees requiring modified duties or equipment upon returning to work after an injury. Such programs are compliant with the *Worker's Compensation and Injury Management Act 1981*.

Indicator	Target 2010/11	Actual
Number of fatalities	Zero (0)	0
Lost time injury/diseases (LTI/D) incidence rate	Zero (0) or 10% improvement on previous three (3) years	0
Lost time injury severity rate	Zero (0) or 10% improvement on previous three (3) years	0
Percentage of injured workers returned to work within (i) 13 weeks and (ii) 26 weeks	Greater than or equal to 80% return to work within 26 weeks	(i) 0.00% (ii) 0.00%

INDEPENDENT AUDITOR'S REPORT

To the Parliament of Western Australia

PERTH THEATRE TRUST

Report on the Financial Statements

I have audited the accounts and financial statements of the Perth Theatre Trust.

The financial statements comprise the Statement of Financial Position as at 30 June 2012, the Statement of Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and Notes comprising a summary of significant accounting policies and other explanatory information.

Trustees' Responsibility for the Financial Statements

The Trustees are responsible for keeping proper accounts, and the preparation and fair presentation of the financial statements in accordance with Australian Accounting Standards and the Treasurer's Instructions, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

As required by the Auditor General Act 2006, my responsibility is to express an opinion on the financial statements based on my audit. The audit was conducted in accordance with Australian Auditing Standards. Those Standards require compliance with relevant ethical requirements relating to audit engagements and that the audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Trust's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made by the Trustees, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements are based on proper accounts and present fairly, in all material respects, the financial position of the Perth Theatre Trust at 30 June 2012 and its financial performance and cash flows for the year then ended. They are in accordance with Australian Accounting Standards and the Treasurer's Instructions.

Report on Controls

I have audited the controls exercised by the Perth Theatre Trust during the year ended 30 June 2012.

Controls exercised by the Perth Theatre Trust are those policies and procedures established by the Trustees to ensure that the receipt, expenditure and investment of money, the acquisition and disposal of property, and the incurring of liabilities have been in accordance with legislative provisions.

Trustees' Responsibility for Controls

The Trustees are responsible for maintaining an adequate system of internal control to ensure that the receipt, expenditure and investment of money, the acquisition and disposal of public and other property, and the incurring of liabilities are in accordance with the Financial Management Act 2006 and the Treasurer's Instructions, and other relevant written law.

Auditor's Responsibility

As required by the Auditor General Act 2006, my responsibility is to express an opinion on the controls exercised by the Perth Theatre Trust based on my audit conducted in accordance with Australian Auditing and Assurance Standards.

An audit involves performing procedures to obtain audit evidence about the adequacy of controls to ensure that the Trust complies with the legislative provisions. The procedures selected depend on the auditor's judgement and include an evaluation of the design and implementation of relevant controls.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the controls exercised by the Perth Theatre Trust are sufficiently adequate to provide reasonable assurance that the receipt, expenditure and investment of money, the acquisition and disposal of property, and the incurring of liabilities have been in accordance with legislative provisions during the year ended 30 June 2012.

Report on the Key Performance Indicators

I have audited the key performance indicators of the Perth Theatre Trust for the year ended 30 June 2012.

The key performance indicators are the key effectiveness indicators and the key efficiency indicators that provide information on outcome achievement and service provision.

Trustees' Responsibility for the Key Performance Indicators

The Trustees are responsible for the preparation and fair presentation of the key performance indicators in accordance with the Financial Management Act 2006 and the Treasurer's Instructions and for such controls as the Trustees determine necessary to ensure that the key performance indicators fairly represent indicated performance.

Auditor's Responsibility

As required by the Auditor General Act 2006, my responsibility is to express an opinion on the key performance indicators based on my audit conducted in accordance with Australian Auditing and Assurance Standards.

An audit involves performing procedures to obtain audit evidence about the key performance indicators. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the key performance indicators. In making these risk assessments the auditor considers internal control relevant to the Trustees' preparation and fair presentation of the key performance indicators in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the relevance and appropriateness of the key performance indicators for measuring the extent of outcome achievement and service provision.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the key performance indicators of the Perth Theatre Trust are relevant and appropriate to assist users to assess the Trust's performance and fairly represent indicated performance for the year ended 30 June 2012.

Independence

In conducting this audit, I have complied with the independence requirements of the Auditor General Act 2006 and Australian Auditing and Assurance Standards, and other relevant ethical requirements.

Matters Relating to the Electronic Publication of the Audited Financial Statements and Key Performance Indicators

This auditor's report relates to the financial statements and key performance indicators of Perth Theatre Trust for the year ended 30 June 2012 included on the Trust's website. The Trust's management are responsible for the integrity of the Trust's website. I have not been engaged to report on the integrity of the Trust's website. The auditor's report refers only to the financial statements and key performance indicators described above. It does not provide an opinion on any other information which may have been hyperlinked to/from these financial statements or key performance indicators. If users of the financial statements and key performance indicators are concerned with the inherent risks arising from publication on a website, they are advised to refer to the hard copy of the audited financial statements and key performance indicators to confirm the information contained in this website version of the financial statements and key performance indicators.

PERFORMANCE INDICATORS

Performance Indicator Information

Government Goal

The Perth Theatre Trust (the Trust) contributes to the achievement of the Government Goal:

Greater focus on achieving results in key service delivery areas for the benefit of all Western Australians.

Government Desired Outcomes:

Outcome 1:

A creative, sustainable and accessible culture and arts sector.

Outcome 2:

Western Australia's natural, cultural and documentary collections are managed, conserved and accessible.

The Trust is a statutory authority within the Culture and Arts portfolio and is shown under Venue Management Services in the 2011-2012 Budget Papers. Key performance indicators have been developed in accordance with Treasurer's Instruction 904 to evaluate the Trust's performance in achieving the Government Desired Outcome and to provide an overview of the critical and material aspects of service provision.

KEY EFFECTIVENESS INDICATORS

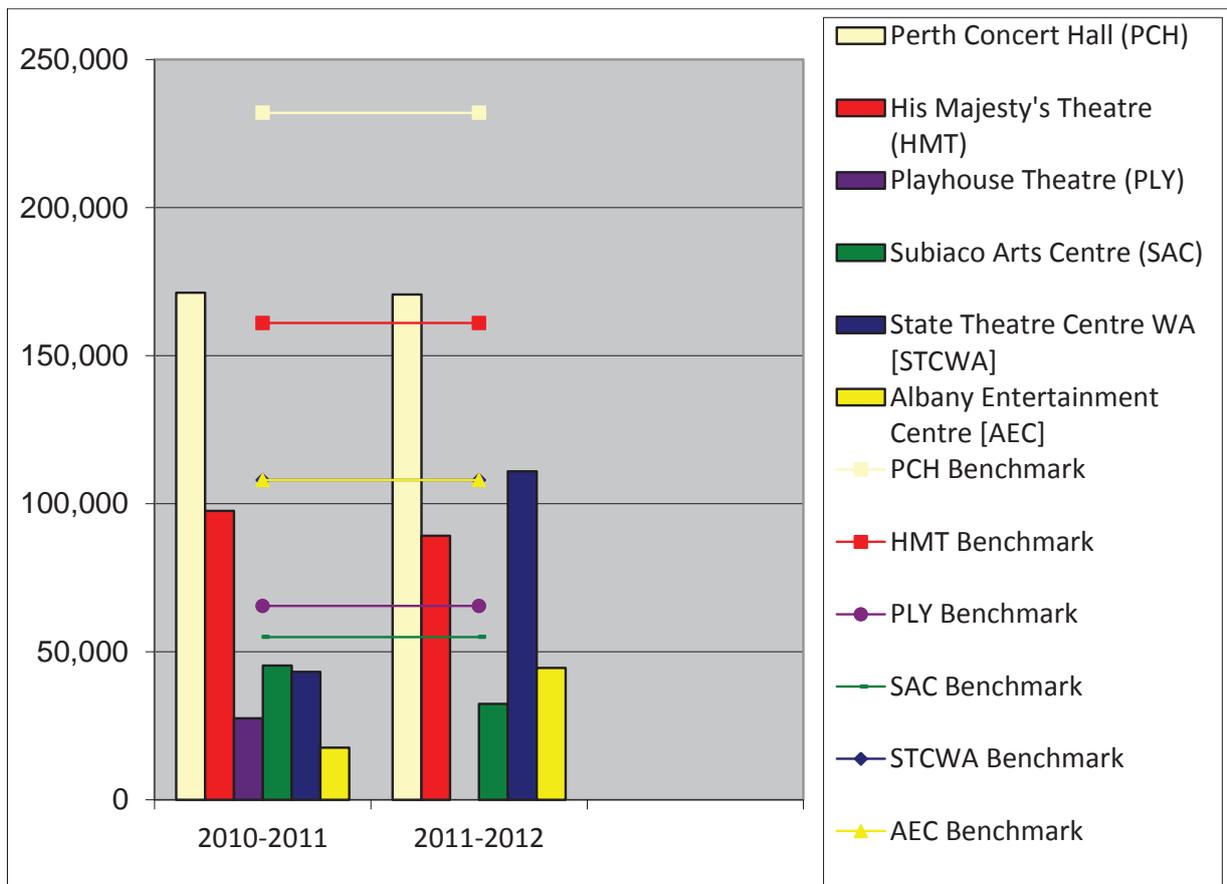

Indicator 1 - Venue Management Services

Measures of Access to the Arts

Rationale

The following charts provide access indicators for attendances at performances in Trust venues. While the Trust has only limited influence on either the number of productions and performances presented at its venues or the number of patrons who choose to attend those performances, its aim is to assist presenters to maximise attendances.

Chart 1: Public Use of Major Venues (against Benchmark)

Note 1: Benchmarks for participation at the venues were reviewed 2010/2011 due to the opening of the two new venues.

Note 2: The Playhouse Theatre is included in the above chart to show the comparison between the Financial Years of 2010-2011 and 2011-2012 for the Public Use of Major Venues. The Theatre closed on 23 December 2010.

Chart 2: Public Use of Major Venues

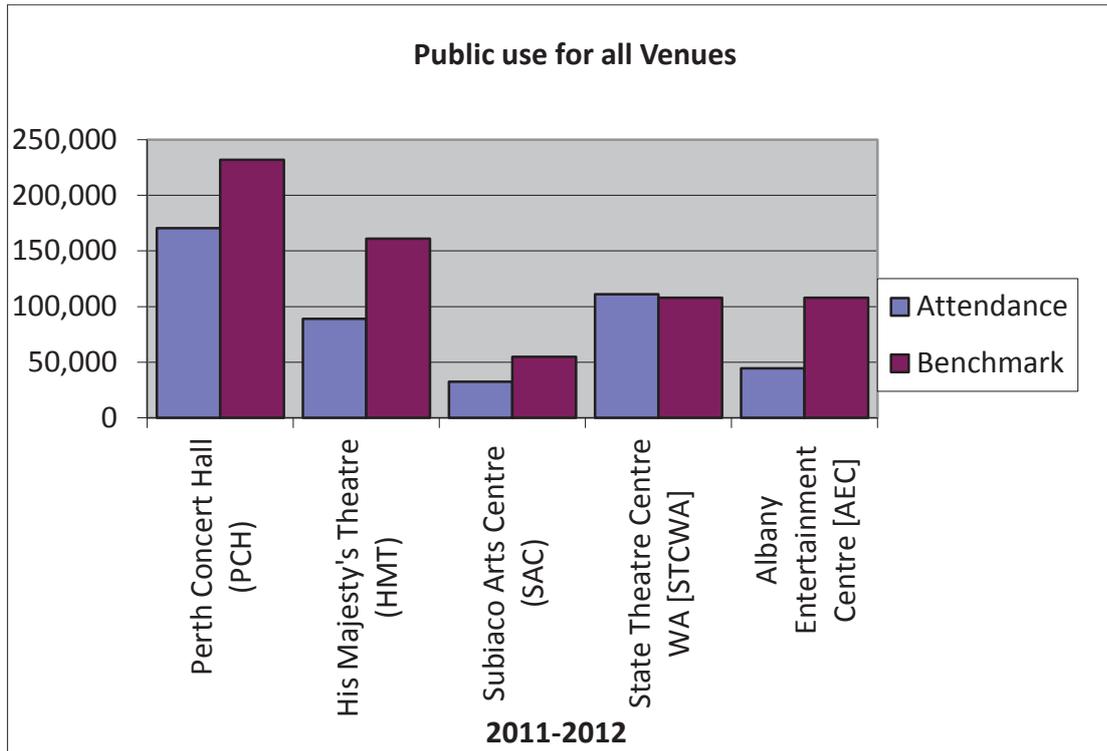

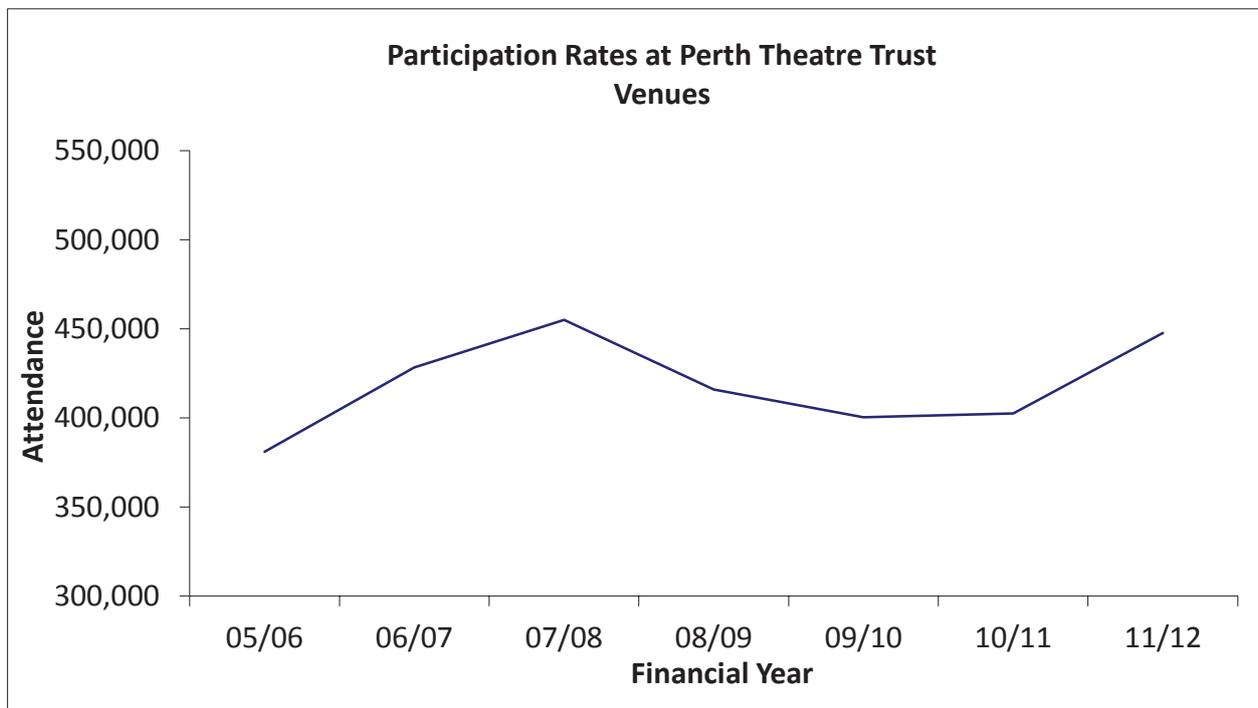

Chart 3: Participation Rates at Perth Theatre Trust Venues

Note 3: The above charts demonstrate the patron participation rate at all the Trust venues (PCH, HMT, SAC, STCWA & AEC). The operation of the two new venues, STCWA and AEC, for their first full financial year of 2011-2012 accounts for the increase in overall participation.

Public Use of Major Venues

Usage Trend

The number of performances/events across venues was 1,138 in 2011-2012. This is an increase of 29% in the number of events from last year's figure of 883.

Participation Rates at Perth Theatre Trust Venues

Overall, the attendance rate at PTT venues was 447,718, an increase of 11% in attendances from last year's figure of 402,644.

EFFICIENCY INDICATORS

Key Performance Indicators Overview

The number of events across venues was 1,138 in 2011-2012. This is an increase on the estimate of 1000 events.

The table below represents the number of performances at venues managed by the Trust. These performance measures address the efficiency with which the Trust undertakes this work.

Measure	2008-2009 Actual	2009-2010 Actual	2010-2011 Actual	2011-2012 Target	2011-2012 Actual
Number of performances at Trust venues	956	910	883	1,000	1,138
Average cost per performance	\$18,666	\$20,049	\$28,979	\$26,275	\$26,248

Note 1 A total of 1,138 events were presented at Trust venues against a target of 1,000 for 2011-2012. The variance for events numbers is due to a higher number of events at the State Theatre Centre and the Albany Entertainment Centre.

CERTIFICATION OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2012

The accompanying financial statements of Perth Theatre Trust have been prepared in compliance with the provisions of the Financial Management Act 2006 from proper accounts and records to present fairly the financial transactions for the financial year ending 30 June 2012 and the financial position as at 30 June 2012.

At the date of signing, we are not aware of any circumstances that would render any particulars included in the financial statements misleading or inaccurate.

Perth Theatre Trust
Notes to the Financial Statements
For the year ended 30 June 2012

Note 1. Australian Accounting Standards

General

Perth Theatre Trust's financial statements for the year ended 30 June 2012 have been prepared in accordance with Australian Accounting Standards. The term 'Australian Accounting Standards' refers to Standards and Interpretations issued by the Australian Accounting Standard Board (AASB).

Perth Theatre Trust has adopted any applicable, new and revised Australian Accounting Standards from their operative dates.

Early adoption of standards

Perth Theatre Trust cannot early adopt an Australian Accounting Standard unless specifically permitted by TI 1101 Application of Australian Accounting Standards and Other Pronouncements. There has been no early adoption of Australian Accounting Standards that have been issued or amended (but not operative) by Perth Theatre Trust for the annual reporting period ended 30 June 2012.

Note 2. Summary of significant accounting policies

(a) General statement

Perth Theatre Trust is a not-for-profit reporting entity that prepares general purpose financial statements in accordance with Australian Accounting Standards, the Framework, Statements of Accounting Concepts and other authoritative pronouncements of the AASB as applied by the Treasurer's instructions. Several of these are modified by the Treasurer's instructions to vary application, disclosure, format and wording.

The Financial Management Act and the Treasurer's instructions impose legislative provisions that govern the preparation of financial statements and take precedence over Australian Accounting Standards, the Framework, Statements of Accounting Concepts and other authoritative pronouncements of the AASB.

Where modification is required and has had a material or significant financial effect upon the reported results, details of that modification and the resulting financial effect are disclosed in the notes to the financial statements.

(b) Basis of preparation

The financial statements have been prepared on the accrual basis of accounting using the historical cost convention, except for land, buildings and infrastructure which have been measured at fair value.

The accounting policies adopted in the preparation of the financial statements have been consistently applied throughout all periods presented unless otherwise stated.

The financial statements are presented in Australian dollars and all values are rounded to the nearest thousand dollars (\$'000).

Note 3 'Judgements made by management in applying accounting policies' discloses judgements that have been made in the process of applying Perth Theatre Trust's accounting policies resulting in the most significant effect on amounts recognised in the financial statements.

(c) Reporting entity

The reporting entity comprises the Perth Theatre Trust.

(d) Contributed equity

AASB Interpretation 1038 Contributions by Owners Made to Wholly-Owned Public Sector Entities requires transfers in the nature of equity contributions, other than as a result of a restructure of administrative arrangements, to be designated by the Government (the owner) as contributions by owners (at the time of, or prior to transfer) before such transfers can be recognised as equity contributions. Capital appropriations have been designated as contributions by owners by TI 955 Contributions by Owners made to Wholly Owned Public Sector Entities and have been credited directly to Contributed equity.

The transfer of net assets to/from other agencies, other than as a result of a restructure of administrative arrangements, are designated as contributions by owners where the transfers are non-discretionary and non-reciprocal.

(e) Income

Revenue recognition

Revenue is recognised and measured at the fair value of consideration received or receivable. The following specific recognition criteria must also be met before revenue is recognised for the major business activities as follows:

Sale of goods

Revenue is recognised from the sale of goods and disposal of other assets when the significant risks and rewards of ownership transfer to the purchaser and can be measured reliably.

Provision of services

Revenue is recognised by reference to the stage of completion of the transaction.

Interest

Revenue is recognised as the interest accrues.

Service appropriations

Service Appropriations are recognised as revenues at fair value in the period in which Perth Theatre Trust gains control of the appropriated funds. Perth Theatre Trust gains control of the appropriated funds at the time those funds are deposited to the bank account or credited to 'Amounts receivable for services' (holding account) held at Treasury.

Grants, donations, gifts and other non-reciprocal contributions

Revenue is recognised at fair value when Perth Theatre Trust obtains control over the assets comprising the contributions, usually when cash is received.

Other non-reciprocal contributions that are not contributions by owners are recognised at their fair value. Contributions of services are only recognised when a fair value can be reliably determined and the services would be purchased if not donated.

Royalties for Regions funds are recognised as revenue at fair value in the period in which Perth Theatre Trust obtains control over the funds. Perth Theatre Trust obtains control of the funds at the time the funds are deposited into Perth Theatre Trust's bank account.

Gains

Realised or unrealised gains are usually recognised on a net basis. These include gains arising on the disposal of non-current assets and some revaluations of non-current assets.

(f) Property, plant and equipment

Capitalisation/expensing of assets

Items of property, plant and equipment costing over \$5,000 or more are recognised as assets and the cost of utilising assets is expensed (depreciated) over their useful lives. Items of property, plant and equipment costing less than \$5,000 are immediately expensed direct to the Statement of Comprehensive Income (other than where they form part of a group of similar items which are significant in total).

Initial recognition and measurement

Property, plant and equipment are initially recognised at cost.

For items of property, plant and equipment acquired at no cost or for nominal cost, the cost is their fair value at the date of acquisition.

Subsequent Measurement

Subsequent to initial recognition as an asset, the revaluation model is used for the measurement of land and buildings and historical cost for all other property, plant and equipment. Land and buildings are carried at fair value less accumulated depreciation on buildings and accumulated impairment losses. All other items of property, plant and equipment are stated at historical cost less accumulated depreciation and accumulated impairment losses.

Where market-based evidence is available, the fair value of land and buildings is determined on the basis of current market buying values determined by reference to recent market transactions. When buildings are revalued by reference to recent market transactions, the accumulated depreciation is eliminated against the gross carrying amount of the asset and the net amount restated to the revalued amount.

In the absence of market-based evidence, fair value of land and buildings is determined on the basis of existing use. This normally applies where buildings are specialised or where land use is restricted. Fair value for existing use assets is determined by reference to the cost of replacing the remaining future economic benefits embodied in the asset, i.e. the depreciated replacement cost. Where the fair value of buildings is determined on the depreciated replacement cost basis, the gross carrying amount and the accumulated depreciation are restated proportionately.

Land and buildings are independently valued annually by the Western Australian Land Information Authority (Valuation Services) and recognised annually to ensure that the carrying amount does not differ materially from the asset's fair value at the end of the reporting period. The most significant assumptions in estimating fair value are made in assessing whether to apply the existing use basis to assets and in determining estimated useful life. Professional judgement by the valuer is required where the evidence does not provide a clear distinction between market type assets and existing use assets.

Derecognition

Upon disposal or derecognition of an item of property, plant and equipment, any revaluation surplus relating to that asset is retained in the asset revaluation surplus.

Asset revaluation surplus

The asset revaluation surplus is used to record increments and decrements on the revaluation of non-current assets as described in note 22 'Property, plant and equipment'.

Depreciation

All non-current assets having a limited useful life are systematically depreciated over their estimated useful lives in a manner that reflects the consumption of their future economic benefits.

Depreciation is calculated using the straight line method, using rates which are reviewed annually. Estimated useful lives for each class of depreciable asset are:

Buildings	66 years
Air conditioning upgrades	4 to 25 years
Leasehold improvements	3 to 40 years
Communication equipment	4 to 10 years
Computer hardware	3 to 4 years
Furniture, fixtures and fittings	4 to 20 years
Plant and machinery	3 to 25 years
Office equipment	5 to 10 years
Other equipment	4 to 20 years

Works of art controlled by Perth Theatre Trust are classified as property, plant and equipment. These are anticipated to have indefinite useful lives. Their service potential has not, in any material sense, been consumed during the reporting period and consequently no depreciation has been recognised.

Land is not depreciated.

(g) Intangible assets

Capitalisation/Expensing of assets

Acquisitions of intangible assets costing over \$5,000 or more and internally generated intangible assets costing \$50,000 or more are capitalised. The cost of utilising the assets are expensed (amortised) over their useful life. Costs incurred below these thresholds are immediately expensed directly to the Statement of Comprehensive Income.

Intangible assets are initially recognised at cost. For assets acquired at no cost or for nominal cost, the cost is their fair value at the date of acquisition.

The cost model is applied for subsequent measurement requiring the asset to be carried at cost less any accumulated amortisation and accumulated impairment losses.

Amortisation for intangible assets with finite useful lives is calculated for the period of the expected benefit (estimated useful life which is reviewed annually) on the straight line basis. All intangible assets controlled by Perth Theatre Trust have a finite useful life and zero residual value.

The expected useful lives for each class of intangible asset are:

Software ^(a)	3 to 10 years
-------------------------	---------------

(a) Software that is not integral to the operation of any related hardware.

Computer Software

Software that is an integral part of the related hardware is recognised as property, plant and equipment. Software that is not an integral part of the related hardware is recognised as an intangible asset. Software costing less than \$5,000 is expensed in the year of acquisition.

(h) Impairment of assets

Property, plant and equipment and intangible assets are tested for any indication of impairment at the end of each reporting period. Where there is an indication of impairment, the recoverable amount is estimated. Where the recoverable amount is less than the carrying amount, the asset is considered impaired and written down to the recoverable amount and an impairment loss is recognised. As Perth Theatre Trust is a not-for-profit entity, unless an asset has been identified as a surplus asset, the recoverable amount is the higher of an asset's fair value less costs to sell and depreciated replacement cost.

The risk of impairment is generally limited to circumstances where an asset's depreciation is materially understated, where the replacement cost is falling or where there is a significant change in useful life. Each relevant class of assets is reviewed annually to verify that the accumulated depreciation/amortisation reflects the level of consumption or expiration of asset's future economic benefits and to evaluate any impairment risk from falling replacement costs.

Intangible assets with an indefinite useful life and intangible assets not yet available for use are tested for impairment at each reporting period irrespective of whether there is any indication of impairment.

The recoverable amount of assets identified as surplus assets is the higher of fair value less costs to sell and the present value of future cash flows expected to be derived from the asset. Surplus assets carried at fair value have no risk of material impairment where fair value is determined by reference to market-based evidence. Where fair value is determined by reference to depreciated replacement cost, surplus assets are at risk of impairment and the recoverable amount is measured. Surplus assets at cost are tested for indications of impairment at the end of each reporting period.

(i) Leases

Perth Theatre Trust holds operating leases for office accommodation. Operating leases are expensed on a straight line basis over the lease term as this represents the pattern of benefits derived from the leased properties.

(j) Financial instruments

In addition to cash, Perth Theatre Trust has two categories of financial instrument:

- * Loans and receivables; and
- * Financial liabilities measured at amortised cost.

Financial Instruments have been disaggregated into the following classes:

Financial Assets:

- * Cash and cash equivalents
- * Restricted cash and cash equivalents
- * Receivables
- * Amounts receivable for services

Financial Liabilities:

- * Payables
- * Funds held in trust

Initial recognition and measurement of financial instruments is at fair value which normally equates to the transaction cost or the face value. Subsequent measurement is at amortised cost using the effective interest method.

The fair value of short-term receivables and payables is the transaction cost or the face value because there is no interest rate applicable and subsequent measurement is not required as the effect of discounting is not material.

(k) Cash and cash equivalents

For the purposes of the Statement of Cash Flows, cash and cash equivalent (and restricted cash and cash equivalent) assets comprise cash on hand and short-term deposits with original maturities of three months or less that are readily convertible to a known amount of cash and which are subject to insignificant risk of changes in value.

(l) Accrued salaries

Accrued salaries represents the amount due to staff but unpaid at the end of the financial year. Accrued salaries are settled within a fortnight of the financial year end. Perth Theatre Trust considers the carrying amount of accrued salaries to be equivalent to its net fair value. Accrued salaries are recognised by the Department of Culture and the Arts. The expense is recognised in the Statement of Comprehensive Income of Perth Theatre Trust with a corresponding resource received free of charge.

(m) Amounts receivable for services (holding account)

Perth Theatre Trust receives income from the State Government partly in cash and partly as an asset (holding account receivable). The accrued amount appropriated is accessible on the emergence of the cash funding requirement to cover leave entitlements and asset replacement.

(n) Inventories

Inventories are measured at the lower of cost and net realisable value. Costs are assigned by the method most appropriate to each particular class of inventory, with the majority being valued on a first in first out basis.

Inventories not held for resale are valued at cost unless they are no longer required, in which case they are valued at net realisable value.

(o) Receivables

Receivables are recognised and carried at original invoice amount less an allowance for any uncollectible amounts (i.e. impairment). The collectability of receivables is reviewed on an ongoing basis and any receivables identified as uncollectible are written-off against the allowance account. The allowance for uncollectible amounts (doubtful debts) is raised when there is objective evidence that Perth Theatre Trust will not be able to collect the debts. The carrying amount is equivalent to fair value as it is due for settlement within 30 days.

(p) Payables

Payables are recognised when Perth Theatre Trust becomes obliged to make future payments as a result of a purchase of assets or services. The carrying amount is equivalent to fair value, as they are generally settled within 30 days.

(q) Provisions

Provisions are liabilities of uncertain timing or amount and are recognised where there is a present legal or constructive obligation as a result of a past event where the outflow of resources embodying economic benefits is probable and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed at the end of each reporting period.

Provisions - employee benefits

All annual leave and long service leave provisions are in respect of employees / services up to the end of the reporting period.

Annual leave

The liability for annual leave that is expected to be settled within 12 months after the reporting period is recognised and measured at the undiscounted amounts expected to be paid when the liability is settled.

Annual leave that is not expected to be settled within 12 months after the reporting period is recognised and measured at the present value of amounts expected to be paid when the liabilities are settled using the remuneration rate expected to apply at the time of settlement.

When assessing expected future payments consideration is given to expected future wage and salary levels including non-salary components such as employer superannuation contributions, as well as the experience of employee departures and periods of service. The expected future payments are discounted using market yields at the end of the reporting period on national government bonds with terms to maturity that match, as closely as possible, the estimated future cash outflows.

The provision for annual leave is classified as a current liability as Perth Theatre Trust does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

Long service leave

The liability for long service leave that is expected to be settled within 12 months after the reporting period is recognised and measured at the undiscounted amounts expected to be paid when the liability is settled.

Long service leave that is not expected to be settled within 12 months after the reporting period is recognised and measured at the present value of amounts expected to be paid when the liabilities are settled using the remuneration rate expected to apply at the time of settlement.

When assessing expected future payments consideration is given to expected future wage and salary levels including non-salary components such as employer superannuation contributions, as well as the experience of employee departures and periods of service. The expected future payments are discounted using market yields at the end of the reporting period on national government bonds with terms to maturity that match, as closely as possible, the estimated future cash outflows.

Unconditional long service leave provisions are classified as current liabilities as Perth Theatre Trust does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Pre-conditional and conditional long service leave provisions are classified as non-current liabilities because Perth Theatre Trust has an unconditional right to defer the settlement of the liability until the employee has completed the requisite years of service.

Perth Theatre Trust superannuation is paid by the Department of Culture and the Arts and recognised as a "Resource received free of charge" in the Statement of Comprehensive Income. Refer note 2(u) 'Department of Culture and the Arts'.

Superannuation

AEG Ogden (Perth) Pty Ltd currently pay 9% Superannuation Guarantee Levy on the ordinary time earnings of their employees (including part-time and casual employees) who are aged between 18 and 75, and who are paid at least \$450 (before tax) a month, into a complying superannuation fund or retirement savings account.

AEG Ogden (Perth) Pty Ltd makes concurrent contributions to a complying superannuation fund or a retirement savings account (RSA) of the employee's choice on behalf of the employee in compliance with the Commonwealth Government's Superannuation Guarantee (Administration) Act 1992. This is the primary legislation affecting employers and details the administrative arrangements for the operation of the Superannuation Guarantee (SG) scheme, including assessment of the employer's liability, calculation of the Superannuation Guarantee charge, payment of the charge and distribution of payments received.

Perth Theatre Trust superannuation is paid by the Department of Culture and the Arts and recognised as a "Resource received free of charge" in the Statement of Comprehensive Income. Refer note 2(u) 'Department of Culture and the Arts'.

Provisions - Other

Employment On-Costs

Employment on-costs, including workers' compensation insurance, are not employee benefits and are recognised separately as liabilities and expenses when the employment to which they relate has occurred. Employment on-costs are included as part of 'Other expenses' and are not included as part of Perth Theatre Trust's 'Employee benefits expense'. The related liability is included in 'Employment on-costs provision'.

(r) Superannuation expense

The superannuation expense in the Statement of Comprehensive Income comprises concurrent contributions to a complying superannuation for or retirement savings account for AEG Ogden (Perth) Pty Ltd employees. Employer contributions paid to the GSS (concurrent contributions), WSS, and the GESBS, or other superannuation fund for Perth Theatre Trust employees is offset by a corresponding resources received free of charge.

(s) Resources received free of charge or for nominal Cost

Resources received free of charge or for nominal cost that can be reliably measured are recognised as income at fair value. Where the resource represents a service that Perth Theatre Trust would otherwise pay for, a corresponding expense is recognised. Receipts of assets are recognised in the Statement of Financial Position.

Assets or services received from other State Government agencies are separately disclosed under Income from State Government in the Statement of Comprehensive Income.

(t) Comparative figures

Comparative figures are, where appropriate, reclassified to be comparable with the figures presented in the current financial year.

(u) Department of Culture and the Arts

The Department provides staff and other support to agencies in the Culture and the Arts portfolio. The Department receives an appropriation for salary costs, superannuation and fringe benefits tax. These resources, provided to the Board, but paid for by the Department, have been treated as "Resources received free of charge" in the Statement of Comprehensive Income under the item "Income from State Government".

In addition the Department also provides shared corporate services to Perth Theatre Trust which are not recognised in the Statement of Comprehensive Income.

Note 3. Judgements made by management in applying accounting policies

The preparation of financial statements requires management to make judgements about the application of accounting policies that have a significant effect on the amounts recognised in the financial statements. Perth Theatre Trust evaluates these judgements regularly.

Operating lease commitments

Perth Theatre Trust has entered into a commercial lease for a motor vehicle and has determined that the lessor retains all the significant risks and rewards of ownership of the property. Accordingly, this lease has been classified as an operating lease.

Perth Theatre Trust has operating leases for buildings. The property leases are non-cancellable leases, with rent payable monthly in advance. Contingent rental provisions within the lease agreements require that minimum lease payments shall be increased by the lower of CPI or 3.5% per annum. An option exists to renew the leases at the end of the term.

Note 4. Disclosure of changes in accounting policy and estimates

Initial application of an Australian Accounting Standard

Perth Theatre Trust has applied the following Australian Accounting Standards effective for annual reporting periods beginning on or after 1 July 2011 that impacted on Perth Theatre Trust.

AASB 1054 *Australian Additional Disclosures*
This Standard, in conjunction with AASB 2011-1 *Amendments to Australian Accounting Standards arising from Trans-Tasman Convergence Project*, removes disclosure requirements from other standards and incorporates them in a single Standard to achieve convergence between Australian and New Zealand Accounting Standards. There is no financial impact.

AASB 2009-12 *Amendments to Australian Accounting Standards [AASBs 5, 8, 108, 110, 112, 119, 133, 137, 139, 1023 & 1031 and Int 2, 4, 16, 1039 & 1052].*

This Standard makes editorial amendments to a range of Australian Accounting Standards and Interpretations. There is no financial impact.

AASB 2010-4 *Further Amendments to Australian Accounting Standards arising from the Annual Improvements Project [AASB 1, 7, 101 & 134 and Int 13]*

The amendments to AASB 7 clarify financial instrument disclosures in relation to credit risk. The carrying amount of financial assets that would otherwise be past due or impaired whose terms have been renegotiated is no longer required to be disclosed. There is no financial impact.

The amendments to AASB 101 clarify the presentation of the Statement of Changes in Equity. This disaggregation of other comprehensive income reconciling the carrying amount at the beginning and the end of the period for each component of equity can be presented in either the Statement of Changes in Equity or the Notes. There is no financial impact.

AASB 2010-5 *Amendments to Australian Accounting Standards [AASB 1, 3, 4, 5, 101, 107, 112, 118, 119, 121, 132, 133, 134, 137, 139, 140, 1023 & 1038 and Int 112, 115, 127, 132 & 1042]*

This standard makes editorial amendments to a range of Australian Accounting Standards and Interpretations. There is no financial impact.

AASB 2010-6 *Amendments to Australian Accounting Standards - Disclosure on Transfers of Financial Assets [AASB 1 & 7]*

This standard introduces additional disclosures relating to transfers of financial assets in AASB 7. An entity shall disclose all transferred financial assets that are not derecognised and any continuing involvement in a transferred asset, existing at the reporting date, irrespective of when the related transfer transaction occurred. There is no financial impact.

AASB 2011-1 *Amendments to Australian Accounting Standards arising from the Trans-Tasman Convergence Project [AASB 1, 5, 101, 107, 108, 121, 128, 132 & 134 and Int 2, 112 & 113]*

This Standard, in conjunction with AASB 1054, removes disclosure requirements from other Standards and incorporates them in a single Standard to achieve convergence between Australia and New Zealand Accounting Standards. There is no financial impact.

Future impact of Australian Accounting Standards not yet operative

Perth Theatre Trust cannot early adopt an Australian Accounting Standard unless specifically permitted by TI 1101 Application of Australian Accounting Standards and Other Pronouncements. Consequently, Perth Theatre Trust has not applied early any following Australian Accounting Standards that have been issued that may impact Perth Theatre Trust. Where applicable, Perth Theatre Trust plans to apply these Australian Accounting Standards from their application date.

(a) Land and buildings were revalued as at 1 July 2011 by the Western Australian Land Information Authority (Valuation Services). The valuations were performed during the year ended 30 June 2012 and recognised at 30 June 2012. In undertaking the revaluation, fair value was determined by reference to market values for land \$23,900,000 (2011: \$25,700,000) while buildings was determined on the basis of depreciated replacement cost.

His Majesty's Theatre is a heritage listed building to which Perth Theatre Trust holds title. A caveat no. D267573 is also registered over the property. The State Theatre Centre was transferred from the Department of Culture and the Arts on 1 February 2011. The Albany Entertainment Centre was transferred from the Great Southern Development Commission on 1 July 2010.

At the end of the reporting period, Perth Theatre Trust had fully drawn down on all financing facilities, details of which are disclosed in the financial statements.

Note 31. Commitments

The commitments below are inclusive of GST where relevant.

Capital expenditure commitments

	2012	2011
	\$000	\$000
Capital expenditure commitments, being contracted capital expenditure additional to the amounts reported in the financial statements, are payable as follows:		
Within 1 year	0	963
	<u>0</u>	<u>963</u>

The capital commitments include amounts for:

Buildings	0	963
	<u>0</u>	<u>963</u>

(a) Note that the Australian Taxation Office (ATO) receivable/payable in respect of GST and receivable/payable in respect of sale/purchase of non-current assets are not included in these items as they do not form part of the reconciling items.

(b) This is the net GST paid/received, i.e. cash transactions.

(c) This reverses out the GST in receivables and payables.

Lease commitments

	2012	2011
	\$000	\$000
Commitments in relation to leases contracted for at the end of the reporting period but not recognised in the financial statements, are payable as follows:		
Within 1 year	510	358
Later than 1 year and not later than 5 years	948	11
	<u>1,458</u>	<u>369</u>
Representing:		
Non-cancellable operating leases	<u>1,458</u>	<u>369</u>

Non-cancellable operating lease commitments

Commitments for minimum lease payments are payable as follows:

Within 1 year	510	358
Later than 1 year and not later than 5 years	948	11
	<u>1,458</u>	<u>369</u>

Perth Theatre Trust has operating leases for buildings. The property leases are non-cancellable leases with various terms as detailed below, with rent payable monthly in advance. Contingent rental provisions within the lease agreements require that minimum lease payments shall be increased by the lower of CPI or 3.5% per annum. An option exists to renew the leases at the end of the terms.

BOCS Administration is leased through Charter Hall Core Plus Office Fund and expires on 30 April 2015. Either party has the right to terminate the Lease at any time after 30th April 2013, subject to providing at least six (6) months prior written notice. The Perth Concert Hall is leased through City of Perth and expires on 28 February 2014. The lease for Subiaco Arts Centre is leased through City of Subiaco and expires on 20 June 2027. The leases for Perth Concert Hall and Subiaco Arts Centre are operated under peppercorn rent arrangements. Under the arrangements for these leases, the lessor effectively retains all of the risks and benefits incidental to ownership of the items held under the ownership leases. For all other leases, equal instalments of the lease payments are charged to the Statement of Comprehensive Income over the lease term as this is representative of the pattern of benefits to be derived from the leased property.

The motor vehicle lease is non-cancellable with payments made monthly in advance.

Note 32. Events occurring after the reporting date

In December 2011 the State Government made a decision to tender the ticketing rights for the Perth Theatre Trust venues. Funding was provided in the 2012-13 budget for this transition which will result in the decommissioning of BOCS Ticketing and Marketing Services.

The tender was advertised to the market in June 2012 with a new provider expected to be in place by September 2012.

Note 33. Explanatory statement

Significant variations between estimates and actual results for 2012 and between the actual results for 2011 and 2012 are shown below. Significant variations are considered to be those greater than 10% or \$100,000.

Significant variances between estimated and actual result for 2012

	2012	2012	
	Estimates	Actual	Variation
	\$000	\$000	\$000
Supplies and services	5,206	6,233	1,027
Depreciation and amortisation expense	4,880	4,259	(621)
Accommodation expenses	3,677	3,228	(449)
Loss on disposal of non-current assets	0	18	18
Other expenses	856	337	(519)
User charges and fees	9,326	9,877	551
Sponsorship	755	485	(270)
Other revenue	462	855	393
Service appropriation	10,259	11,067	808
State grants and subsidies	0	1,030	1,030

Supplies and services

The increase is a result of additional expenses in Computing Contracts, Software Licensing, Upgrade of Business Systems, Consulting and Training Costs.

Depreciation and amortisation expense

The decrease is due to an overestimation of depreciation expense for the State Theatre Centre and Albany Entertainment Centre buildings.

Accommodation expenses

The decrease is mainly a result of reduced expenditure on the His Majesty Theatre Façade Maintenance project.

Loss on disposal of non-current assets

The variance is due to the disposal and write off of various assets at the Playhouse resulting from the annual asset stocktake.

Other expenses

Sponsorship expenditure was lower than anticipated at His Majesty Theatre Foundation.

User charges and fees

The variance is due to better than expected fees for Studio Venue Rental at the State Theatre Centre.

Sponsorship

There was a material decrease in sponsorship received by His Majesty Theatre Foundation.

Other revenue

The increase is due to a recoup of previous years expenditure related to an adjustment of the depreciation expense from 2011.

Service appropriation

The increase is due to additional funding received for the shortfall in funding on Albany Entertainment Centre operating expenses and additional funding for the BOCS Tender process.

State grants and subsidies

The increase is related to grants and subsidies received from the Department of Culture and the Arts for capital works projects.

Significant variances between actual results for 2011 and 2012

	2012	2012	Variation
	\$000	\$000	\$000
<u>Income</u>			
User charges and fees	9,877	9,006	871
Sales	4,715	4,515	200
Interest revenue	151	364	(213)
Service appropriation	11,067	6,260	4,807
Resources received free of charge	2,765	3,215	(450)
<u>Expenses</u>			
Employee benefits expense	13,403	12,841	562
Supplies and services	6,233	7,260	(1,027)
Depreciation and amortisation expense	4,259	2,492	1,767
Accommodation expenses	3,228	4,680	(1,452)

User charges and fees

The variance is mainly due to the full year impact of charges received by the State Theatre Centre.

Sales

The variance is mainly due to the full year impact of sales received by the State Theatre Centre.

Interest revenue

The decrease is a result of a lower level of cash holdings during the year and a reduction in interest rates.

Service appropriation

The increase in appropriation is a result of additional funding for the State Theatre Centre and increase base funding for arts institutions.

Resources received free of charge

The variance is due to operational expenditure funded free of charge in 2011.

Employee benefits expense

The increase is mainly a result of the development of some new positions at the venues managed by AEG Ogden (Perth) Pty Ltd.

Supplies and services

The decrease in this area is a result of a reduced level of minor equipment purchases and one-off costs associated with the openings of the State Theatre Centre and Albany Entertainment Centre.

There was also a reduction in expenditure by His Majesty Theatre Foundation and a reduced level of information services support by the Department of Culture and the Arts.

Depreciation and amortisation expense

The increase is due to the full year impact of the State Theatre Centre and Albany Entertainment Centre buildings.

Accommodation expenses

The reduction is due to His Majesty Theatre Façade maintenance expenditure in 2011.

Note 34. Financial instruments

(a) Financial risk management objectives and policies

Financial Instruments held by Perth Theatre Trust are cash and cash equivalents, restricted cash and cash equivalents, receivables and payables. Perth Theatre Trust has limited exposure to financial risks. Perth Theatre Trust's overall risk management program focuses on managing the risks identified below.

Credit Risk

Credit risk arises when there is the possibility of Perth Theatre Trust's receivables defaulting on their contractual obligations resulting in financial loss to Perth Theatre Trust.

The maximum exposure to credit risk at the reporting period in relation to each class of recognised financial assets is the gross carrying amount of those assets inclusive of any provisions for impairment as shown in the table below at note 34(c) 'Financial instruments disclosures' and note 19 'Receivables'.

Credit risk associated with Perth Theatre Trust's financial assets is minimal. For receivables other than government Perth Theatre Trust trades only with recognised, creditworthy third parties. Perth Theatre Trust has policies in place to ensure that sales of products and services are made to customers with an appropriate credit history. In addition, receivable balances are monitored on an ongoing basis with the result that Perth Theatre Trust's exposure to bad debts is minimal. There are no significant concentrations of credit risk.

Liquidity Risk

Liquidity risk arises when Perth Theatre Trust is unable to meet its financial obligations as they fall due.

Perth Theatre Trust is exposed to liquidity risk through its trading in the normal course of business.

Perth Theatre Trust has appropriate procedures to manage cash flows including drawdowns of appropriation by monitoring forecast cash flows to ensure that sufficient funds are available to meet its commitments.

Market Risk

Market risk is the risk that changes in market prices such as foreign exchange rates and interest rates will affect Perth Theatre Trust's income or value of its holdings of financial instruments. Perth Theatre Trust does not trade in foreign currency and is not materially exposed to other price risks. Perth Theatre Trust does not have any exposure to market risk for changes in interest rates.

(b) Categories of financial instruments

In addition to cash, the carrying amounts of each of the following categories of financial assets and financial liabilities at the end of the reporting period are as follows:

	2012	2012
	\$000	\$000
<u>Financial Assets</u>		
Cash and cash equivalents	1,652	392
Restricted cash and cash equivalents	4,651	3,609
Receivables ^(a)	13,843	9,068
<u>Financial Liabilities</u>		
Financial liabilities measured at amortised cost	7,150	5,969

(a) The amount of receivables excludes GST recoverable from the ATO (statutory receivable).

(c) Financial instrument disclosures

Credit risk

The following table discloses Perth Theatre Trust's maximum exposure to credit risk and the ageing analysis of financial assets. Perth Theatre Trust's maximum exposure to credit risk at the end of the reporting period is the carrying amount of the financial assets as shown below. The table discloses the ageing of financial assets that are past due but not impaired and impaired financial assets. The table is based on information provided to senior management of the Perth Theatre Trust.

Perth Theatre Trust does not hold any collateral as security or other credit enhancements relating to the financial assets it holds.
