Function Testimonials

Hi Natalie

I am just writing a quick note to thank you and the staff involved in our wedding. I cannot say enough about Craig and the staff in Albany for making our day just wonderful. Craig is certainly an asset to have in your company.

We both have been and will continue to recommend the Entertainment Centre to everyone that asks. The food was also absolutely wonderful. The Chef did such a beautiful menu and everyone that attended was so happy with the food.

As you can see, I cannot praise everyone enough. I will just keep jabbering on if I do. Please accept our most sincere thanks and appreciation to you and all the staff involved, we could not have had a better day.

Thank you Thank you Thank you
Kim and Greg Wolfe.

Good Afternoon Everyone,

I just wanted to thank you all for the excellent service you provided for our Port Workshop yesterday. We were very impressed with the set-up of the facility and the incredibly helpful, friendly attitude of all the staff.

The catering was great and I would like to pass on special thanks to Victor who sat through it all and dealt with all my anxieties about potential computer problems with complete professionalism.

Kind Regards,
Lindy O'Toole

“On behalf of the City of Albany I would like to commend the AEC staff for their professional approach, outstanding service and attention to detail. Throughout the NAIDOC Awards planning process right down to the execution of the evening last night they have been a pleasure to deal with, nothing ever too much trouble.

I have no doubt that everyone thoroughly enjoyed themselves, it was a great night!”
